Price List. - From 1st September 1989

This price list lists all our standard stock items and does not provide any illustrations. However, beside each kite you will see a number of symbols which are explained below:-

- , or + These indicate whether an item can be sent in the inland post. / means it can, + that it cannot.
Size The next column gives the size of the largest dimension of the kite, usually wing span.
Name A code giving the maker of the kite.
Line Strength Breaking strain of recommended flying line in lbs Inc. means suitable line included.
Wind Speed We use the following for wind speed:-
L - Light, say 5 -10mph. L/M - Gentle, say 8 -12mph.
M - Medium, say 10-15mph. M/S - Moderate, say 15-20mph.
S - Strong, say 20mph and up. L/M/S - All weather Kite.
*** Symbols These symbols are used to denote just how difficult a kite is to fly/assemble.
* - Ready to fly, no assembly, easy.
** - Average, will require small amount of adjustment before use.
*** - Comparatively difficult to assemble, or adjust, or to fly- ask for advice.
Price In pounds sterling including VAT (except books).

Rules for Mail Order.

Anything we can post you may order by mail (check the post symbol). Basic charge is £ 2.60 per item/order to cover postage for kites/books, but for small accessories 95p normally covers postage. Exception, ordering a short fat item (say a book) with a long thin item (say a kite) will incur double postage as items will have to be posted separately. We post parcels on Tuesdays and Thursdays, and although the post normally delivers within one week please allow up to 21 days for delivery. Payment should be made with order by cheque or, alternatively, we accept VISA, American Express or Access for Mail & Telephone orders. In these cases we require the card no., address and expiry date of card. Please note that for foreign orders postage charges are higher and we would be pleased to quote for any item on request. Please note that the telephone order dept is closed on Saturdays.
